

VIRGINIA ANTI-SHARIAH TASK FORCE

Call the Board of Supervisors Right Now! Sign-Up To Testify at the ISA Hearing on Monday, July 13

Monday, July 13 is the date of the final Board of Supervisors hearing on the radical Islamic Saudi Academy's huge expansion plan here in Fairfax County.

Fairfax County politicians are ducking the responsibility they swore in their oath of office to "support the Constitution of the United States" by claiming that they are restricted to enforcing zoning laws.

Children now being taught at the ISA are being indoctrinated in Anti-American, Anti-Semitic and Anti-Christian ideology so that they will be prepared to be the radical Islamists of the future.

Please call and e-mail the Board of Supervisors right now and tell them that what is going on inside the radical Saudi academy is much more important than the traffic problems the expansion is sure to create.
